Trinity Kline will be speaking at the next 10:15 Forum entitled, “Becoming Whole and Creating Sanctuary for Growth”. This will be part of our RIC Sunday on February 15. Trinity was born in New Mexico and raised in Yavapai County. She grew up in Prescott Valley and Dewey, graduating from Bradshaw Mtn. High School and attended Yavapai College to study computer science. She currently works as a lab technician for a dermatology office.

Trinity was raised in a very controlling fundamental church but through a long and difficult process was able to move on and re-examine her spiritual belief system, reconciling with a loving God. After 5 years of dating her wife, the two married and one year later gave birth to a beautiful daughter. That same year she transitioned from male to female. Her special calling is working with other transgender and queer people locally, through organizations like Prism, Pride Picnics, One-N-Ten (Launch Pad) and NAZGEM. She especially enjoys roller skating, role playing table games and spending time with her family.
